¹ Owner means a person who owns land which is not rented to another for cash or a fixed commodity payment, or who rents land from another for cash or a fixed commodity payment, or who is purchasing land on installments of cash or one or more commodities.

² Enter the acreage of fenced noncrop open pasture land that is in excess of one-half of the cropland and which has a carrying capacity during the normal pasture season of at least one animal unit for each 5 acres (one animal unit being one cow or one horse, etc.).

³ Enter only the acreage of soil-conserving crops on riceland which will be used to meet

the minimum acreage of soil-conserving crops with respect to rice. Such acreage must be other than idle or fallow cropland and must be in addition to the requirements under section 17 of SR-B-101.

⁴ Names and addresses should be typed or printed. Each name in column A should correspond exactly with the respective signature below.

⁵ Required only in case applicant's signature is made by mark (X).

SECTION I.—REPRESENTATIONS AND APPLICATION FOR PAYMENT:

Each person whose signature appears on this form in the space "Signature of Applicant" hereby applies for payment under the 1937 Agricultural Conservation Program with respect to the 1937 farming operations on the land covered by this application in accordance with his interest in the crops and practices as shown hereon and in accordance with the provisions of said program, and certifies with respect to such operations that:

1. He has examined the data contained in this application and that, to the best of his knowledge and belief, such data constitute a true and accurate report of the complete 1937 farming operations on such land, the acreage figures, yields, indexes, poundage, measurements, soil-building practices, and divisions of crops (or proceeds thereof), and of the carrying out of soil-building practices are truly and accurately stated, and there are entered hereon the names and addresses of all persons who are entitled to share in the soil-depleting crops (or the proceeds thereof) produced thereon, or who have incurred any portion of the expense with respect to any approved soil-building practice, which was carried out on such land.
2. Each said person for himself further certifies with respect to the 1937 farming operations on the land covered by this application that:
 - A. Each soil-building practice listed in section VIII hereof was carried out on such land in accordance with good farming practice and no labor, seed, or other material used in carrying out any such soil-building practice was furnished or paid for by any Federal or State agency.
 - B. No practice was adopted which tends to defeat any of the purposes of the 1937 Agricultural Conservation Program, and none of the changes in the use of such land involved the destruction in 1937 of any food, fiber, or food grain.
 - C. No part of the farming operations included herein is included in any other application for payment pursuant to the 1937 Agricultural Conservation Program or otherwise, except that if in the wind-erosion area of Texas and Oklahoma an "Application for Preliminary Payment With Respect to Wind Erosion Control Practices", Form SR-114, respecting any part of the 1937 farming operations on this land has been filed, the serial number of each such application is entered in section XI hereof.
 - D. He has not for 1937 made any change from the 1936 leasing or cropping arrangement for the farm or adopted any other device for the purpose of, or which would have the effect of, diverting to him any payment to which tenants or share-croppers would be entitled if the 1936 leasing or cropping arrangement were in effect for 1937.
 - E. Except as indicated herein he has not planted rice acreage in the State in excess of 125 percent of his rice base acreage.
3. Each said person further certifies that work sheets have been filed with respect to all other farms in this county owned or operated by him and that there are entered in section V hereof the serial number(s) of the work sheet(s) covering each such farm.
4. In accordance with the provisions of the 1937 Agricultural Conservation Program the Secretary of Agriculture is authorized to pay the county agricultural conservation association, for the county in which this application is filed, an amount which would be payable under this application as each applicant's pro rata share of the estimated expenses of said association, or such part thereof as may be prescribed by the Secretary.

SECTION IX.—CERTIFICATE OF INSPECTION:

The undersigned certifies that he has inspected the farm(s) covered by this application for payment, that the data set forth herein relative to the 1937 farming operations on such farm(s) were determined by him or under his supervision in accordance with the provisions of the 1937 Agricultural Conservation Program, and that to the best of his knowledge and belief such data constitute a true and complete report of the farming operations on such farm(s) in 1937.

Date _____, 193__
